

Morrey Distributing Company
1850 E. Lincoln Way Sparks, NV 89434 (775) 352-6000 Email admin@morreydistributing.com

October 1, 2023

Dear valued retailer,

Effective January 1, 2024, Morrey Distributing Company will be changing its payment policies, for both deliveries and payment options. We will no longer accept checks or money orders as a form of payment for deliveries or as payment on account. All payments must be in electronic form.

This change is in line with industry standards and will improve efficiency at the time of delivery for both our drivers and you/your staff. We understand that this change could impact your business, and we are here to assist you with several convenient alternatives to check/money order payments:

- Sign up for our Retailer Portal. You can make ACH payments from the Portal, print copies of invoices, check your Accounts Receivable balance, email your sales representative and even place orders. You can sign up for the Portal via our website: www.morreydistributing.com
- Sign up for Fintech, a third-party vendor who specializes in secure business to business beverage/alcoholic beverage payments. You can sign up for Fintech using this URL: go.fintech.com/distributorautopay
- Sign up for iControl, a third-party vendor who specializes in secure business to business food and beverage/alcoholic beverage payments. You can sign up for iControl using this URL: www.icontroldata.net/alcohol/eftdirect

In summary, we value our business relationships with each and every customer and we hope you understand and appreciate the necessity in implementing this change.

If you have any questions, please feel free to reach out to your Sales Representative, or contact our Accounting Department at (775) 352-6000. Thank you for your continued loyalty.

Sincerely,

Mike Lannom
General Manager
